

DR. HOWARD SUED BY THE WIRELESS

Telegraph Company Claims He
Has Failed to Pay Stock
Assessments.

The Inter-Island Telegraph Co., Ltd., has brought suit against Henry W. Howard for the recovery of \$702 due on stock in the wireless telegraph, and which the defendant refuses to pay. The plaintiff company sets forth that in January of last year, at defendant's special request and instance, it was mutually agreed that the plaintiff deliver to defendant thirty shares of the capital stock of the wireless company, of the par value of \$50 each, for which defendant Howard, agreed to pay. The shares were promptly delivered, and Howard paid \$225 as and for an assessment of 15 per cent of the par value of each of said shares. On June 1, 1900, by and in accordance with an assessment, known as assessment No. 3, duly levied by the board of directors on April 3, 1900, being 5 per cent of the par value of each share, and plaintiff required defendant to pay the \$75 due, but the same has not been paid, although frequently requested to do so. Defendant was the owner and holder of the capital stock in the amount of thirty shares of the par value of \$1,500. Assessment No. 4, amounting to \$75, was also levied, which the plaintiff claims defendant has not paid. The fifth assessment, amounting to \$75, was levied, and still remains unpaid. The sixth, seventh, eighth, ninth, tenth and eleventh assessments, each amounting to \$75, remain unpaid and although frequently requested to pay, defendant, Howard, has neglected to comply. Judgment in the sum of \$702 is demanded.

Henderson for the Cable.

Hon. D. B. Henderson, Speaker of the House of Representatives of the United States Congress, in a private letter to a resident of Honolulu, makes the following reference to the charge that he prevented the passage of the Pacific cable bill: "The charge is not true. I am in favor of a cable not only to Honolulu but to the Philippines—an effort to bring us in contact, with the great nations of the Orient."
